Dear Mr*****:

We have received your proposal covering the processing of the accelerated permit application from *****. After careful consideration of all of the responses, we regret to inform you that the project has been awarded to another firm. We want to thank you for your prompt and professional response and hope to have the opportunity to work with you in the future.

If you have any questions, please give me a call at 506-6738.

Sincerely,

Dale A. Lieb
Title V Permitting Unit Manager
